Affidavit of the Master or Commanding Officer, or First or Second Officer.

L. Oelcken, 1st Off. of the Batavia, from Hamburg, do solemnly, sincerely, and truly that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the accompanying Lists or Manifest Sheets, 11 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

#10/11 a Witold & Aldona Zielinska are accompanied by her mother, Janina Zielinska, who, however, shipped as Stewardess for the trip from Hamburg to New York. The family, citizens of the U.S., as per passport issued by the Department of State on May 29, 1901, # 42363, became destitute in Warsaw, Russia. The Consul of the U.S., Stettin, sent them at his expense to Stettin and the Consul at Stettin in turn paid their railway fare to Hamburg. Consul Pitcairn here personally paid the children's passage to N.Y. and, at the request of this Consulate the Hamburg-American line allowed the mother to work her way over. The family is entirely destitute & I therefore issue his certificate in order to avoid difficulties in connection with their landing at N.Y.

Hamburg, May 25, 1903.

C.W. Hillmuth
U.S. Deputy Consul.

Affidavit of Surgeon.

I, D. Forsbach, Surgeon of the Batavia, do solemnly, sincerely, and truly that I have had 1 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the German Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 11 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.
